Any amended complaint must allege proper dates or timeframes for the facts or events described. The amended complaint shall be a complete document that does not rely on the initial Complaint or other papers filed in this case to state a claim. When drafting his amended complaint, Davis should be mindful of the Court's reasons for dismissing the claims in his initial Complaint as explained in the Court's Memorandum. Upon the filing of an amended complaint, the Clerk shall not make service until so **ORDERED** by the Court.

6. The Clerk of Court is **DIRECTED** to send Davis a blank copy of this Court's current standard form to be used by a self-represented litigant filing a civil action bearing the above-captioned civil action number. Davis may use this form to file his amended complaint if he chooses to do so.

7. If Davis does not wish to amend his Complaint and instead intends to stand on his Complaint as originally pled, he may file a notice with the Court within thirty (30) days of the date of this Order stating that intent, at which time the Court will issue a final order dismissing the case. Any such notice should be titled “Notice to Stand on Complaint,” and shall include the civil action number for this case.

8. If Davis fails to file any response to this Order, the Court will conclude that Davis intends to stand on his Complaint and will issue a final order dismissing this case.
